A Legacy of Trust

This year, Sunrise Family Credit Union is proud to commemorate our 70th anniversary. While seventy years have brought significant change, our core mission remains the same: to provide a secure foundation for your financial journey. We are deeply honored to have stood by your side through generations of graduations, weddings, and milestones, and we thank you for the unwavering confidence you place in us.

Ensuring Your Financial Security

We fulfill that mission by offering competitive rates and low fees, but in today's world, your well-being also depends on your financial safety.

Fraud is currently at an all-time high, often targeting the most vulnerable members of our community, including our senior citizens. Scammers have become increasingly sophisticated—whether it is a virus alert on your phone, a call claiming a relative is in distress, or a threatening message about unpaid tolls. These criminals are pushy and deceptive, often leaving victims feeling embarrassed or scared to speak up.

At Sunrise Family Credit Union, our Member Service staff is specifically trained to protect you. If our team notices activity that seems out of the ordinary, they will ask questions. They do this because they care. To ensure your privacy and safety, we also ask that you disconnect any active phone calls before approaching a teller window. This prevents scammers from listening in or coaching you through a fraudulent transaction.

Whether you require a competitive loan, a remote deposit solution, or even a personal home visit if you are unable to reach a branch, our team remains at your service. Thank you for being the heart of our story for the last 70 years.

Gratefully,

Michelle Hine, Chief Operations Officer
